### Did you know...

...that behind each questionnaire that you fill out is a veritable army of researchers?

Pay close attention to coming issues of The Investigator. Check out the study's website at [jesuisjeserai.stat.gouv.qc.ca/default\\_an.htm](http://jesuisjeserai.stat.gouv.qc.ca/default_an.htm). In the next few months, you will learn

about the researchers who use your responses with those of all the other participants to make scientific discoveries on sleep, health, child development, etc. Our researchers are a special group of people, I invite you to meet them soon in the pages of this newsletter and on our website.

Good luck!
