

## Québec Longitudinal Study of Child Development (QLSCD)

### *I am, I'll be* – Round 2023 (E26)

#### Consent Form

##### Study partners

The Ministère de l'Éducation, the Ministère de l'Enseignement supérieur, the Ministère de la Famille, the Lucie and André Chagnon Foundation, the Institut Robert-Sauvé en santé et en sécurité du travail, and the Institut de la statistique du Québec (Statistique Québec).

##### The study and its objective

The purpose of the 2023 round of *I am, I'll be* is to gather data on the life experiences and well-being of young adults born in Québec. These data will be compared with those collected in earlier rounds. Completing the questionnaire takes about 50 minutes.

##### 1. By participating in this round of the study, I understand that:

- 1.1 The data I provide or that is obtained from government ministries or agencies will be treated as CONFIDENTIAL in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011) and the *Act respecting Access to documents held by public bodies and the Protection of personal information*.
- 1.2 My participation in the study is VOLUNTARY. I can choose not to answer certain questions or not to take part in this round without any prejudice to myself.
- 1.3 The authorizations granted to Statistique Québec in previous years remain in effect. I can withdraw them by making a request in writing to Statistique Québec.
- 1.4 My participation will contribute to a better understanding of the factors that promote the well-being of young adults. The only drawback to my participation is the time spent answering the questionnaire.
- 1.5 Statistique Québec invites me to take part in this round and may invite me to take part in future rounds of the study in the coming years by mail, e-mail, telephone, and text message.

2. I authorize Statistique Québec to send my information, meaning the responses I will have provided about myself in this study, in a de-identified manner (meaning without any name, address, telephone number or e-mail address), to the partners and affiliated researchers who will have committed to respecting Statistique Québec's data security and confidentiality standards.

THE SURVEY ON THE  
FUTURE OF A GENERATION

The list of partners and affiliated researchers can be provided to me upon request and is also available on the website of the study.

3. The responses provided this year will be matched with the de-identified information collected in the study in order to carry out statistical and research work. This work must be related to the overall objective of the study.
4. **I hereby certify that I have read and understood this consent form and that I have been given enough time to make my own decision. Consequently, I consent to take part in this round of the study under the terms and conditions set out in this form.**
